Kelly Hild, M.Ed., BCBA, LBA Behavior Analysis Training and Support Center for Human Development

Over the past 20 years, Kelly has worked with individuals with exceptional needs. Kelly is a Board-Certified Behavior Analyst and former Special Education Teacher. Her passion lies in fostering an environment that supports a compassion over compliance approach to treatment while emphasizing a collaborative approach among team members to support individuals that exhibit challenging behaviors. Kelly resides on the Kenai Peninsula and is a member of UAA's Behavior Analysis and Training Support team at the Center for Human Development.
